

# UNLOCK THE HIGH STREET

## HIGH STREET SURVEY

The Co-operative Party's Unlock The High Street campaign is intended to find out more about people's high streets, where they need help to recover from the impact of Covid-19, and how co-operation can help them do it.

Visit your local high street, and tally the number of each kind of unit you see. When you're done, please scan or take a photo and send it to **mail@party.coop**. Also consider taking a photo of your high street to send us!

You can use the results of this survey locally, for example in a motion to your local council, or in a letter or press release to the local paper. Also think about publicising the survey on social media, both during and after you complete it.
